

Welcome

A home, with companionship, comfort, security and belonging...that's what elder residents find at **My Father's House**. We create warm, home settings for older adults who want to live their life with choice. Whether that includes an active social schedule or a more slow-paced way of life, our respect for each resident's individuality and dignity is at the center of all that we do.

To enrich our resident's lives, we provide an environment that meets individual needs and care for those who require some assistance with daily living, but do not need full-time skilled nursing. Our staff is all trained and capable of handling the day to day tasks necessary to keep our residents safe, comfortable and happy.
